Letter of Engagement

22 April 2026

Dear Client,

We are pleased to confirm our engagement to provide professional services as described herein. This letterhead demonstrates the canvas underlay feature, where the blue header and footer bands are rendered as a canvas layer beneath the flowing layout content.

The canvas layer is painted first (bottom), and the layout content flows over it. This is the **canvas underlay** pattern: **canvas > layout** in document order.

The contrast is the **canvas overlay** pattern (layout > canvas), demonstrated in showcase-canvas-overlay.xml where a DRAFT watermark is painted on top of the invoice content.
