Revenue by quarter

Monthly revenue, with the quarter and its notes in cells that span the rows they describe.

Quarter	Month	Revenue	Notes
2024			
Q1 2024	January	$41,200.00	Slow start after the holidays.
	February	$38,900.00	
	March	$44,100.00	Spring catalogue sent in the last week.
	Quarter total	**$124,200.00**	
Q2 2024	April	$46,800.00	New regional store opened in May, with a launch campaign that ran for three weeks and brought in the first wholesale customers.
	May	$49,250.00	
	June	$51,400.00	Best month so far.
	Quarter total	**$147,450.00**	
Q3 2024	July	$47,900.00	Summer lull in July and August.
	August	$45,300.00	
	September	$52,600.00	Back-to-school orders from September.
	Quarter total	**$145,800.00**	
Q4 2024	October	$55,800.00	Holiday promotion started early and stayed on through the end of the year. Free delivery over $50 on every order placed online, a gift guide in the weekly newsletter on each of the four Sundays before the holiday, a second shift in the warehouse from the middle of November, and a temporary pick-up point at the new store for orders placed after the last delivery date.
	November	$71,300.00	
	December	$83,900.00	Record month: gift cards sold out.
	Quarter total	**$211,000.00**	
2025			
Q1 2025	January	$52,100.00	Returns from the holiday season.
	February	$49,800.00	
	March	$56,700.00	Price rise on the wholesale range.
	Quarter total	**$158,600.00**
