# Absolute x/y positioning

Coordinates are top-left origin, y-down.

anchor="top-left" x="40pt" y="150pt"

anchor="top-center" (horizontally centred)

anchor="top-right" x="-40pt"

---

Plain text with **bold span** and coloured span inline.

This text has a width constraint of 300pt and will wrap onto the next line when it exceeds that width.

anchor="center-left" — vertically centred on page
